New version- 1.4.9

Air cooled chiller
selection software-

Earlier version- 1.4.8

New version- 1.4.9

No: EB/19-20/010,
Date: 30th January 2020

Dear Colleague,

We hereby wish to inform you the official release of new version of KCPL Chiller Selection Software, version 1.4.9.

Following are the changes in new Version:

Physical data for all models revised as per latest changes.

Notes related to certified/Non-certified models have been updated.

Compressor model nomenclature corrected in physical data of KWI-R1234ze chillers.

Changes have been implemented for both Water Cooled Chiller Selection System and Air-Cooled Chiller Selection System.

Refer attached software installation procedure to upgrade your software to new version.
