

Kirloskar Chillers Private Limited

A Kirloskar Group Company

Document No : ESP-22-23-004				
Document Name : VFD Datasheet				
Prep. By : IGP	Checked By : IGP	Appd. By :ASP	Date : 10/05/22	Total Pages : 01

Suitable for Motor	Induction
Application	Compressor Semi hermetic motor
Make	KCPL Approved make
Number of phases	3
Supply Voltage	400V $\pm$ 10%
Supply Frequency	50/60 Hz
Max. Imbalance on Supply Voltage	$\pm$ 3.0 % of rated Supply Voltage
Power Rating	Consult with Engineering
IP rating	Complete panel solution will be IP54
Protections	Over load Over voltage Under voltage Phase loss
Programming	Being part of chiller system ,VFD is factory programmed only
Operating altitude	Up to 1000 m without derating
Operation	Through Chiller Controller
